#### 2. TEACHING RESULTS

#### **Teaching Results**

Upon completion of the course, students will be able to:

• have as sufficient command of the basic principles of translation theory and practice

understand and apply the translational approach to text analysis

• identify and deal with the linguistic, cultural and textual problems that arise when translating general texts

• understand the cultural differences between German and Greek

• effectively deal with challenges related to the translation of general texts

• choose the most appropriate techniques and justify their translation choices

#### **General Skills**

• Work in international environment

#### 3. CONTENT

This course focuses on the German to Greek translation of general texts. The students learn to identify and effectively deal with the linguistic, cultural and textual problems that emerge from the translation of this particular text type and with this particular translational directionality.

Week 1: Analysis of various types of journalistic texts and their particularities.

Week 2: Contemporary German and Greek journalistic discourse and their differences.

Week 3: War reporting by the German and Greek press.

Week 4: War reporting. Analysis and translation.

Week 5: Political journalism. The German and Greek political landscape.
